

GUSTAVUS ADOLPHUS COLLEGE

• **ANNUAL REPORT FROM GUSTAVUS CHURCH RELATIONS — DECEMBER 2016** •

Greetings to you from your partners in ministry at Gustavus Adolphus College! The College community has been looking forward, dreaming big and thinking strategically. In alignment with our mission and core values, we have identified a bold, 10-year vision to energize and focus our work. Here is our vision: *Gustavus equips students to lead purposeful lives and to act on the great challenges of our time through an innovative liberal arts education of recognized excellence.*

For more than 150 years, Gustavus Adolphus College has educated students to lead fulfilling lives of leadership and service. The people of Gustavus are academics and artists, scientists and stewards, learners and landscapers. We are designers and dancers, cooks and coaches, theologians and teachers. We are a diverse community of people passionate about the power of the liberal arts to transform lives and improve our world. Gustavus stands on a strong foundation of tradition and heritage that has shaped who we are today. Embracing our living connection to the Lutheran tradition, the College is actively dedicated to the longstanding principles of Lutheran higher education, including education explicitly aimed at developing the whole person and contributing to the common good, a love for and openness to the world in its complexity and diversity, and critical questioning in the ongoing search for truth and the advancement of knowledge.

As you gather for congregation annual meetings and synod assemblies, we hope you are inspired by the reminder of the many others who walk along side you in mission. We are blessed to be able to share numerous resources with your congregation. Thank you to the many of you who have made good use of our church and college ministry partnership.
