

Resolution regarding Sanctuary Synod Status

Whereas care and equal justice for “the stranger, the alien, and the resident alien” is consistently taught in Holy Scripture [1]; and

Whereas the 1998 ELCA Social Message on Immigration proclaims: “We draw on the best of our nation’s traditions as a refuge and haven for the persecuted and destitute when we affirm that we support a generous policy of welcome for refugees and immigrants, and that we will advocate for just immigration policies including fairness in visa regulations and in admitting and protecting refugees”; and

Whereas the 2019 ELCA Churchwide Assembly voted to become the nation’s first Sanctuary Denomination; therefore be it

Resolved that the Minneapolis Area Synod (MAS) define sanctuary as not only the provision of shelter, but also: a *response* to raids, detentions, deportations, and the criminalization of immigrants and refugees; a *strategy* to fight individual cases of deportation, to advocate for an end of mass detention, and to amplify immigrant voices; a *vision* for what our communities and world can be; and a *moral imperative* to take prophetic action of radical hospitality rooted in the ancient traditions of our faith communities; and be it further

Resolved that the MAS declare itself a Sanctuary Synod of the ELCA, ready to protect refugees and undocumented persons from arrest and deportation by Immigration and Customs Enforcement (ICE), in partnership with organizations including Lutheran Immigration and Refugee Services, Immigrant Law Center of MN, Advocates for Human Rights, ISAIAH’s Sanctuary Network, Legal Rights Center, Arrive Ministries, International Institute of Minnesota, and the Interfaith Coalition on Migration; and be it further

Resolved that the Minneapolis Area Synod encourage the Joint Minneapolis Area Synod and St. Paul Area Synod AMMPARO (Accompanying Migrant Minors with Protection, Advocacy, Representation, and Opportunities) Task Force to recruit leaders from congregations across the synod to join the leadership of the task force, invite congregations to become AMMPARO Welcoming congregations, and, in coordination with the Churchwide organization, develop and provide resources for congregations to discern the call to sanctuary, learn about sanctuary and immigration in the U.S., and partner with local immigrant-led organizations in their community; and be it further

Resolved that the Office of the Bishop of the MAS advocate for immigrants in local and state legislatures consistent with the ELCA’s 2009 social policy resolution “Towards Compassionate, Just, and Wise Immigration Reform,” including Sanctuary State, Driver’s License, and Immigrant Bill of Rights legislation.
