### **Other Information You Would Like to Share:**

*I'm a tough, caring, determined 16 year old junior at Chanhassen High School, and I just kicked cancer's butt! I have been in remission since April 3. I was able to successfully beat cancer with the love and support of my friends, family, and church home, Family of Christ. My church family helped us through this journey with constant prayers and support. I look forward to a 2nd term on Synod Council, and getting back into a more normal routine that includes these meetings!*
