Use Baptized Membership at the end of 2022 to determine the number of lay voting members. Retired Rostered Ministers or Rostered Ministers on leave from call may not register as lay voting members. Rostered Ministers of Word & Service may not register as lay voting members; all Rostered Ministers are expected at Synod Assembly, and each roster registers under its own category.

Constitution §7.21 c. “A minimum of one lay member elected by each congregation with fewer than 175 baptized members and a minimum of two lay members elected by each congregation with more than 175 baptized members . . .”

Each congregation may also register a Youth Voting member (ages 15-18) in addition to the allowed number of lay voting members. If you would like to bring an additional youth, you may replace one of your lay voting members with a youth delegate.
