

## 2025 MISSION SUPPORT PARTNERSHIP PLAN

As you plan how your congregational resources are shared in 2025, we ask you to prayerfully consider your congregation's mission support partnership, knowing that your generous offerings are shared half for our work as a synod and half for the work of the churchwide Evangelical Lutheran Church in America (ELCA).

In gratitude to God and with thankfulness for our shared ministry together, in 2025 our congregation intends to share through the Minneapolis Area Synod:
