

Learn + Serve + Give

Serve and support your neighbors in partnership with Lutheran Social Service of Minnesota.

Learn + Serve + Give events provide your community groups with the opportunity to learn about a societal issue impacting our neighbors, serve through a hands-on project, and give a financial gift to sustain your commitment to our neighbors.

LEARN how Lutheran Social Service of Minnesota (LSS) supports our neighbors in living full and abundant lives.

Select a programmatic focus that aligns with your group's interests. LSS will provide a corresponding presentation and empathy building exercise to enhance learning.

Camp Noah is a nationally acclaimed program where children in communities impacted by disaster can experience the power of hope and healing through a proven resiliency curriculum.

LSS Youth and Family Services help keep youth and children safe and supported by providing early intervention and prevention services, supportive shelters and housing options for youth experiencing homelessness, and services to restore and strengthen families.

LSS Community Residential Homes for individuals with disabilities are designed to help each person live as independently as possible, while still providing a safe environment and the connection of a shared living experience.

The Adoption Programs of Children's Home Society of Minnesota and LSS help children thrive while strengthening and sustaining individual, family and community life through adoption, foster care and post-adoption services.

SERVE our neighbors by selecting a hands-on activity for your group to complete.

LSS will provide your group with supply lists, project instructions and information for delivering completed projects.
