#### **What is LVC?**

***LVC is a community of faith that unites people to work for peace with justice.***

- LVC Volunteers live together in intentional household communities of 4-7 people.
- LVC is recognized as a social ministry of the ELCA and is a member of both Lutheran Services in America and Catholic Volunteer Network.
- LVC is on a Journey to an Inclusive Community, forming and strengthening alliances among people of many cultures and communities and intentionally dismantling racism in our organization, the church, and society.

#### **How Can I Support LVC?**

##### **Pray**

We welcome your prayers for current and prospective Volunteers; staff, board members, local supporters, and host congregations; alums, donors, and friends; and for peace with justice in all the world.

##### **Recommend a year of service**

Who in your life is being called to LVC? We welcome applications from self-motivated and mature individuals who are 21 or older. Many recent college graduates find rich opportunities in LVC for spiritual growth and vocational discernment.

##### **Support our program**

Encourage your congregation to learn more about the program and its Volunteers, help plan (or attend) a fundraiser, make a donation, and more.
